LILIAN BROCK,

Inspectress of Schools, Presidency and Burdwan Divisions,

CALCUTTA, the 17th January 1920.

The Government Diploma in Accountancy of the Sydenham College of Commerce and Economics, Bombay.

INSTRUCTIONS TO CANDIDATES FOR THE DIPLOMA.

(The Regulations referred to are the Regulations for the award of the Diploma published on pages 1170-72 of Part IC of the Calcutta Gazette of the 10th December 1919.)

Regulation 4 .--

- (A) Examinations equivalent to Matriculation.—Examinations recognized by an Indian University as equivalent to the Matriculation or Entrance examination of that University will be recognized as such by the Accountancy Diploma Board under this regulation. If the candidate has studied for one or more terms in a College affiliated to an Indian University, a certificate to that effect signed by the Principal of that College will be accepted as proof of the candidate's eligibility for the Diploma course. The previous orders of the Board must be secured by the candidate in other cases.
- (B) Attendance certificate.—The attendance ought to be in an institution specially recognized by the Accountancy Diploma Board for purposes of this Diploma. The candidate is required to have attended three-fourths of the number of days on which lectures were delivered in each of the two academic years. Should his attendance in either of the two years have fallen short of three-fourths, that particular year will not be counted as a portion of the two years' attendance prescribed by this regulation. If he has attended the prescribed number of lectures in each of two academic years, but has not been certified as fit to present himself for the examination, he will not be required to attend lectures for a third year, but will merely be required to satisfy the Principal about his fitness to appear for the examination, and to submit his application through the Principal. He may undergo practical training in accounts during such third year, and such training will be counted as a portion of the three years' training prescribed by Regulation 19 (b) tion 12 (b).
- (C) The fee of Rs. 50 must reach the Secretary to the Accountancy Diploma Board, 65, Apollo Street, Fort Bombay on or before 31st January. Fees paid in will on no account be refunded.

Regulation No. 5 .-

Under this regulation, an under-graduate may, in lieu of attending lectures for two years as prescribed by Regulation No. 4, receive practical training in accounts for two years. He must apply to the Board for the recognition of such practical training and secure the orders of the Board before applying for the examination the applying for the examination that applying the examination that apply before applying for the examination; the number and date of such order must be quoted in the candidate's application for the examination.

Regulations 6 and 13.—

. When the holder of a temporary auditor's certificate applies for the examination under regulation 6 or for the Diploma under Regulation 13,

79

the period for which the auditor's certificate was granted must not have expired. An application from such a candidate submitted after the expiry of the period for which the certificate was granted will not be accepted by the Board.

Regulation 12 .-

Practical training.—Every candidate entering on the course of practical training prescribed by this regulation must submit to the Accountancy Diploma Board an application for the recognition of such practical training in the prescribed form, copies of which can be had at the office of the Board, Apollo Street, Bombay; such applications must be submitted within sixty days of the commencement of the practical training.

The practical training must be under a Chartered or an Incorporated Accountant or a certified auditor working as a Public Accountant. It is immaterial whether the candidate has paid a premium for such training or is in receipt of a salary. It is essential that he should be a full-time apprentice and should not be engaged in any other work during the usual office hours.

Chartered and Incorporated Accountants may take and train apprentices without the previous permission of the Government. The holder of a permanent (whether restricted or unrestricted) auditor's certificate granted by a Local Government may take and train apprentices, provided he is specially empowered in that behalf by the Local Government of the province where he is practising. The mere fact that he holds a permanent auditor's certificate will not empower him to take apprentices.

The apprenticeship may be served partly under one and partly under another practising accountant, provided it is in each case reported to and recognized by the Accountancy Diploma Board.

Regulation 12 (b).-

The practical training in accounts prescribed by this regulation may be (1) partly before and partly after, or (2) wholly before or (3) wholly after, the candidate passes the Diploma examination of this Board. The course prescribed for an under-graduate covers five years, viz., two years as a student of a recognized institution, plus three years' apprenticeship. The practical training in accounts, if any, received by an under-graduate during his two years' attendance at a recognized institution, will, therefore, not be reckoned as a portion of the three years' apprenticeship prescribed by this regulation.

Regulation 12 (c).-

At least two out of the three years' apprenticeship prescribed for graduates must be served after they become graduates.

Number of apprentices.—No practising accountant will bereafter be authorised to take and train more than two apprentices at a time. This restriction will not apply to candidates who have already commenced their practical training.

Auditor's certificate.—No permanent unrestricted auditor's certificate will hereafter be granted by any Local Government or Administration to a person who does not hold the Government Diploma in Accountancy of the Sydenham College of Commerce and Economics, Bombay. Holders of the Diploma have to apply for a permanent unrestricted auditor's certificate to the Local Government of the province where the candidate received his practical training for the Diploma.

By order of the Accountancy Diploma Board,

K. S. AIYAR, B.A., F.S.A.A.,

Secretary.

All graduates and licentiates in Medicine of the Calcutta University

are eligible to compete for the scholarship.

Every candidate is required to state in his application the special subject or branch of medical science in which he proposes to carry on investigation or research work and also to state in what respects his investigations appear to him to tend to the advancement of medical studies. He is also required to state in his application the place where he intends to carry on his research work. If in a recognised laboratory or hospital, a recommendation from the head of such laboratory or hospital as to the fitness of the candidate to conduct such work, and the probable value of such work, must accompany the application. If the candidate intends to carry on investigations privately, his application must be supported by a certificate to the above effect from a Member of the Faculty of Medicine.

The scholar will be appointed by the Syndicate on the recommendation of the Faculty of Medicine.

During the tenure of his scholarship the scholar will be required to devote at least four hours a day, Sundays and holidays excepted, to research work in the special branch of medical science selected by him and approved by the Board of Studies in Medicine, and his work will be open to inspection by a Member of the Faculty of Medicine to be specially deputed by the Faculty in that behalf.

During the tenure of his scholarship, every Research scholar will be required to submit short quarterly reports of his work to the Member of the Faculty of Medicine who may be deputed to inspect his work and upon whose

favourable report the continuance of his scholarship will depend.

Each scholar will also be required to submit, at the end of his tenure of scholarship, a complete statement which must be typewritten and otherwise ready for publication and which will be laid before the Faculty of Medicine, who, if publication be deemed advisable, will decide all questions in cornection therewith.
